

## Project CARES (Child Assistance & Right Educational Support)

Sponsors 100 kids education since June 2007.

A "Children's day" event was organized for these 100 kids being sponsored by us. They enjoyed the educational Snake & Magic show and were excited to receive toys & gift hampers. The smiles on their faces touched our hearts. A big thank you to all those who helped make the event a success.

## A New "Project MELIORATION"

We are helping schools get better now !

will be doing OD interventions in their management style as well to help enhance their working.

We are now involved in the mentoring and development of 2 poor schools functioning in the slum areas of Mumbai. Our focus is on improving their quality of education via the year long continuous seminars & training being conducted for these teachers through professionals. We

## Seminars for 160 children of Std X.

Preparing kids for the Future!

This motivational seminar was conducted chiefly by Vignesh, aided by Yvonne & Reena. Their effort towards our kids is commendable.
