

Project CARES (Child Assistance & Right Educational Support)

>>> Project Cares sponsors the education of 100 needy children in Mumbai. 2 motivational workshops were held recently for the children in the 12-16 yrs age group and for all the parents. Conducted by Vignesh & a few volunteers, some important points were shared in a light, interactive manner. It was a learning experience for all...

>>> Soma Karmakar, one of the many children whose education is being sponsored by us through our Project Cares was felicitated at a competition in Mumbai by the Mohalla Committee Movement Trust & Mumbai Police. She won 1st prize for her drawing 'Gun with a knotted barrel' seen in the picture behind her. She also spoke to the audience on non violence. Soma is a Class 9 student, good in studies & loves drawing. She has written a touching letter to us.

Hi! I am Soma Karmakar.
When I was 8 yrs old I lost my parents. I was very much interested in studies. I thought it was the end of my life. I thought I would never be able to achieve my goal. But there was a surprise for me. The members of the Urjaa Discover approached my house and said that they would finance me. They said that they would provide me school fees as well as college fees. I was extremely happy. My happiness knew no bounds. Now I can see my destination clearly and also I can predict my future. May God bless those people who offer me financial help.

Project MELIORATION

We conduct regular seminars for the teachers of 2 slum schools in Mumbai. Our work is gaining momentum. These teachers are now confidently exploring new educational methods with school students and their feedback indicates the results are certainly worth all the effort!

Vignesh Manjeshwar was invited as Chief Guest for the REAP Annual Day program for their teaching faculty. REAP is an NGO working to combat illiteracy by educating poor slum children.
